

About the College

Stella Mary's College of Engineering was promoted by the Nova Educational Trust and established by well known business entrepreneur of Kanyakumari District, **Dr.Nazerath Charles**. The college is located amidst a beautiful ecofriendly atmosphere surrounded by coconut groves. The college is only miles away from the Azhikal sea shore, Manavalakurichy, Kanyakumari District, Tamil nadu. It was approved by AICTE and affiliated to Anna University, Chennai. The institution is in the Tenth year of its excellent service in the field of Technical Education. The campus is situated in a quiet environment about 15 kilometers from Nagercoil. The college was started with a view to uplift the rural backward communities. The institution offers five UG program in the Engineering disciplines: Mechanical Engineering, Electronics and communication Engineering, Electrical and Electronics Engineering, Civil Engineering, Computer Science Engineering, . It also offers PG programmes ME (Computer Science and Engineering) and ME (Industrial Safety Engineering).

STELLA MARY'S COLLEGE OF ENGINEERING

[Approved by AICTE, New Delhi, affiliated to Anna University, Chennai,
Accredited by NAAC & Accredited by NBA (Mech & CSE)]
Aruthenganvilai, Kallukatti Junction, Azhikal Post, Kanyakumari District-629202,
Tamil Nadu, South India.

Department of Mechanical Engineering

Research & Development Cell

STELLA MARY'S
RESEARCH & DEVELOPMENT CELL
FROM RESEARCH EXPLORATION TO PRODUCT DEPLOYMENT

One day Workshop on

How to Publish Research Article & Proposal Submission for Grant?

Date: 13/04/2023

Coordinator

Mr. I. P. Rakshesh

Assistant Professor

Department of Mechanical Engineering

Organizing Committee

Mr. J. Starlin Deva Prince

Assistant Professor

Department of Mechanical Engineering

Mr. E. Bravin Daniel

Assistant Professor

Department of Mechanical Engineering

Mr. E. Prakash

Assistant Professor

Department of Mechanical Engineering

Institution Vision

To emerge as a premiere institution, acknowledged as a centre for excellence imparting technical education, creating technocrats who can address the needs of the society through exploration and experimentation and uplift mankind.

Institution Mission

To provide an education that transforms students, through rigorous course-work and by providing an understanding of the needs of the society and the industry.

About our Department

The Department of Mechanical Engineering was established in the year of 2013. The objective of Mechanical Engineering Department is to provide quality training in various fields of mechanical engineering. The Department has good infrastructural facilities with experienced and dedicated faculty members. It has excellent and Well equipped laboratory facilities and the students are given good training to enhance their practical skills. To have constant growth in technical education Mechanical Engineering Department support the students not only trained in academic area, but also encouraged to meet the industrial needs through industrial visits and so on. An excellent academic environment is available for creative and productive work for faculty as well as students.

Department Vision

To impart nationally and internationally recognized education on Mechanical Engineering, leading to well qualified engineers who are innovative contributors to the profession and successful in advanced studies and research

Department Mission

- To provide an international class of education enabling the students to have the ability to design, plan, engineer, administer and manage the latest technologies in the field of Mechanical Engineering.
- To train students to face the future challenges of industries and society.
- To equip the students to take leading positions in industry, academia, and PSUs both in India and abroad.

About Research & Development

Research & Development cell plays an important role in providing a competitive edge to our Institution. The Stella Mary's College of Engineering recognizes the importance of Research and Development by its teachers and students for their career as well as the institution growth. .

Objective of Program

This program will provide a good deep knowledge on

- To write a research manuscript/article and how to do the research
- To formulate a paper to research article to the standard of high impact journal
- To submit the proposal for a Grant

Speaker 1

Dr G R Jinu

Assistant Professor

University College of Engineering,
Nagercoil

Speaker 2

Dr. J. Bruce Ralphin Rose

Assistant Professor

Anna University Regional Campus -
Tirunelveli

For Registration

For Payment

Registration

Industrialist: Rs. 250/-

Faculty: Rs. 200/-

Student: Rs. 150/-

Registration Deadline 10 APRIL, 2023

Chairman

Dr. NAZERATH CHARLES

Vice Chairman

Mrs. SUMITHA C JUDESON

Chief Executive Officer

Mr. J. CAROL JUDESON

Director

Dr. J. JENIX RINO

Principal

Dr. R. SURESH PREMIL KUMAR

Head of the Department

Dr. F. MICHAEL RAJ

Research & Development Convener

Dr. R.K. MADHUMATHI
