Capnis Infotech Private Limited

Certificate of Completion

This is to certify that

Achsha Steffina A has successfully completed the **Laravel Full-Stack Development Course** conducted by Capnis Infotech Private Limited at **Stella Mary's College of Engineering**.

Duration: 29th July 2024 to 3rd August 2024

This intensive course covered the following modules:

- Introduction to Laravel and MVC Architecture
- Setting up a Laravel Environment
- Routing and Middleware
- Database Migrations and Eloquent ORM
- Blade Templating Engine
- Testing and Debugging

The course has equipped the student with essential skills to develop robust web applications using the Laravel framework.

We congratulate **Achsha Steffina A** on their dedication and achievement.

Certificate of Completion of Internship

This is to certify that **Jeshwin Antony Benadictus** has successfully completed internship with J3Soft Solutions Private Limited from 19-Aug-2024 to 13-Sep2024.

During the internship, he demonstrated exceptional dedication and enthusiasm in his task, contributing significantly for this Analysis of Human Resource Management Tools.

Jeshwin was responsible for analyzing and recommending a tool for Human Resouce Management for J3Soft . He analyzed all the pros and cons of the different Human Resource Management tools and provided his recommendation. He also contributed in the area of Search Engine Optimization (SEO) to improve our website to increase its visibility in Google. He did a commendable job on both the tasks.

During this tenure he also learnt Spring Boot microservice with Thymleaf as UI Technology.

This internship certificate is issued as a formal recognition of Jeshwin's valuable contributions to J3Soft Solutions Private Limited. We wish him success in all his future endeavor.

Date of Issuance: 13-Sep-24

Yours sincerely,
J3Soft Solutions Private Limited

To,

The principal,

Stella Mary's College of Engineering,

Aruthenganvilai

Kanyakumari Dist.

Respected Sir,

Sub: Permission letter for field trip

On behalf of the Students of IInd year CSE-B, I am writing this letter to you for getting your permission to conduct a field trip to ISRO PROPULSION COMPLEX, MAHENDRAGIRI on 13-11-23. A group of 40 students and 4 staff will be part of field trip.

It would be immensely grateful if you could allow us for field trip.

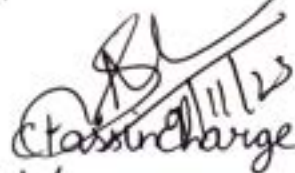

Thank you.

Yours faithfully,

X. Jerwin Revaldo

INDUSTRIAL VISIT/CULTURAL VISIT/ FIELD TRIP/STUDY TOUR/OUT BOUND TRAINING
EDUCATIONAL TOUR PROPOSAL FORM

Objectives of Industrial Visit

To satisfy the curriculum needs Industrial Visit is proposed. The Industrial Visit provides an excellent opportunity for students to learn about a specific topic, business or procedure firsthand by directly visiting the source.

Industrial Visit Schedule

1. Date/s of Visit /Tour: From 13-11-2023
2. (a). No. of Days: 1 2 (a). No. of Nights: _____ 3. No. of students: _____ Boys: _____ Girls: _____
4. Name of the Company/s: ISRO Propulsion Complex, Mahendragiri
5. (a) Starting Place: Stella Mary's College of Engineering (b) Reaching Place: ISRO Propulsion Complex Mahendragiri
6. Places of Visit (*If any): _____
7. Places of stay (*If any): _____
8. Mode of Travel: Bus
9. Approximate Travelling Distance (in KM): 60Kms
10. Departure time from college 9:30am
11. Proposed Reaching time at company (*if any) 10:30 am
12. Proposed Departure time from company (*if any) 1:00 am
13. Proposed Arrival Date & time at college 4:00 pm
14. Name of the Staff Accompanying _____ 2.

15. Details of Budget

1. Amount to be collected from each student (including conveyance/ boarding & lodging): Rs. 250
2. Total amount to be collected from student's: 2550
3. Dearness Allowance to Staff on visit/Tour: By the students/ Management (Rs. _____/Staff/Day Accompanying)

From

SMCE/CSAY/PM-16/1/1/VT/CLVT/SYTR/PTDE/ET-TR-AL-PM
STELLA MARY'S COLLEGE OF ENGINEERING
 Aruthenganvilai, Kallukatti Junction, Arhikal Post, Kanyakumari District - 629202.

FIELD VISIT REPORT

Visit to ISRO Propulsion Complex (IPRC), Department of Space (Dos) , Mahendragiri was organized by Department of Computer Science and Engineering on 13th November 2023 as part of Field Visit. It was a one-day trip by us (2nd year CSE of III semester) along with faculty members. This field visit report consists of the observations and understandings of current space technology supported by IPRC, Mahendragiri.

Visit to IPRC

About IPRC

ISRO Propulsion Complex (IPRC), Mahendragiri is equipped with the state-of-the-art facilities necessary for realising the cutting edge propulsion technology products for the Indian space programme. Formerly, IPRC was known as LPSC, Mahendragiri and taking cognizance of the future growth of the space program of our nation and the concomitant expansion at Mahendragiri, it was elevated as IPRC with effect from February 01, 2014.

It is the major testing hub of ISRO's liquid propulsion systems. The role of IPRC is to carry out research for the development of liquid propulsion systems both for Satellites and Satellite Launch Vehicles. IPRC is equipped with state of the art facilities for the assembly,

integration and testing of liquid propulsion systems. It is responsible for the development, qualification and acceptance testing of sub-systems and systems for launch vehicles and spacecraft projects.

Layout of Semicryogenic Integrated Engine Test Facility (SIET) at IPRC Mahendragiri. : ISRO.

Activities of IPRC

The major activities carried out at IPRC, Mahendragiri are:

- Assembly,
- Integration and testing of earth storable propellant engines,
- Testing of cryogenic engines and stages for launch vehicles;
- High altitude testing of upper stage engines and spacecraft thrusters as well as testing of its sub systems;

- Production and supply of cryogenic propellants for Indian cryogenic rocket programme, etc.

A Semi-cryogenic Cold Flow Test facility (SCFT) has been established at IPRC, Mahendragiri for the development, qualification and acceptance testing of semicryogenic engine subsystems. IPRC is responsible for the supply of Storable Liquid Propellants for ISRO's launch vehicles and satellite programmes. IPRC delivers quality products to meet the zero defect demand of ISRO space programme ensuring high standards of safety and reliability. It also carries out Research & Development (R&D) and Technology Development Programmes (TDP) towards continued improvement of its contribution to the Indian space programme.

Testing and Qualifying

Before qualifying an engine through hot test, its subsystems are qualified by conducting cold flow test by using water or simulant fluids. For this cold flow test facilities are established. Apart from this, facilities are established to test/simulate upper stage rocket engines and thrusters/Liquid apogee motors of satellites in vacuum environment. These facilities are also used for developing propulsion systems for inter-planetary missions.

IPRC has the responsibility of delivering the second and fourth stages of ISRO's workhorse launch vehicle PSLV. The improvements and indigenization of components in the above launch vehicle was a major step towards self-reliance. IPRC has played a major role in the development of indigenous cryogenic engine of 75kN thrust capacity for GeoSynchronous Satellite Launch Vehicle MK II (GSLV MKII) and 200kN thrust capacity

engine for GSLV MK III. Towards these developments IPRC has done extensive testing and analysis to perfect the cryogenic technology.

Fig.2. Photo of the testing of the Vikas Engine - the workhorse liquid rocket engine used to power the second stage of the ISRO's trusted PSLV.

Current Scenario

ISRO is now working for the development of a high thrust semi-cryogenic engine which uses Liquid Oxygen and Rocket grade Kerosene called Isrosene. This eco-friendly Semi Cryo engine of 2000kN thrust capacity is being developed. IPRC has a significant role in establishing the test facilities for this development. Also establishment of the related assembly, integration and propellant storage facilities are in progress. IPRC has over the years established world class facilities with ambitious Technology development programmes and is a pioneer in the liquid propulsion area.

Cryogenic Fluid Analysis Lab Inaugurated on May 2018 by

Dr.K.Sivan, Chairman, ISRO

Field Visit

The visit started with the Space exhibition showcasing different models of Satellites. The different parts of a typical satellite are showcased. All the previous ISRO satellites are shown in the form of models. Also models of different Satellite launch vehicles (ASLV,

PSLV and GSLV) used to launch from smaller to larger satellites are shown. Smaller electronic circuit components are also presented in the exhibition.

We were thrilled and get acquainted with various facilities and activities like, high altitude facility (HAT) for spacecraft motor (liquid apogee motor), its exhaust flow, 3rd stage of GSLV rocket motor nozzle, and lander platform for the upcoming Chandrayaan mission and associated technologies. A video demo of actuating CUS motor at HAT facility (GSLV 3rd stage) was shown to us at MACC center. Different electronic control circuits and devices used in satellite engines and test firing were also explained. We gained knowledge about various types of fuels used in the rocket engines and how they were tested. A working model was also demonstrated by the IPRC professionals.

Thus, the Field visit to IPRC has proved to be highly beneficial for inculcating the basic knowhow about the Indian satellites, Launch vehicles and various types of fuels and rocket engines.

Respected Sir,

Sub: permission letter for field trip

On behalf of the Students of IInd year CSE-A
I am writing this letter to you for getting
your permission to conduct a field trip to

ISRO PROPULSION COMPLEX, Mahendragiri on 06-11-23

A group of 62 Students and 1 Staff will
be part of field trip.

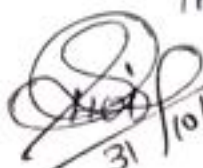

It would be immensely grateful
if you could allow us for field trip.

Thanking you

Yours faithfully

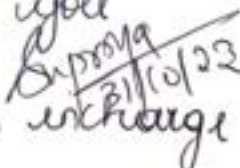

M. Kishal

Sir/Madam,

With reference to your request on the 62 Students and 3 Staff members of Stella Mary's College of Engineering, Aruthenganvilai are permitted to visit IPRC, Mahendragiri, at 10.00 hrs. on 06.11.2023. Wishing the team a fruitful visit.

Carrying of camera, mobile phones or any other personal belongings, inside the campus is strictly prohibited. Students are expected to observe strict discipline inside the campus, and to follow safety protocols.

Visitors are requested to report to Main security gate of IPRC by 09.30 Hrs. with their College / School ID card, for security check and further guidance.

With regards,

M. Suresh

Dear Sir,

To
The Authorities Concerned,
Stella Mary's College of Engineering

Sub: Intimation of Field trip - Regarding.

As per the Approval of the Management the following campus activity will be organized in the campus in general/by the Department of CSE. The details are as follows,

1	Name of Campus Activity:	<u>Field trip - Indyr</u>
2	Date/s of Campus Activity:	<u>06-11-23</u>
3	Time of Campus Activity:	<u>9:30am to 4:00pm</u>
4	Venue of Campus Activity:	<u>Field visit - Arachimozhi</u>
5	Campus Activity coordinator/contact person:	<u>Dr. M. Supriya</u>
6	Campus Activity requested by:	<u>Dr. M. Supriya</u>
7	Name of the Guest (if any) :	—
8	Date & Time of Arrival :	—
9	Venue of Reception & Refreshment for Guest:	—
10	Target audience	<u>CSE (II year Student)</u>
11	No. of participants expected	<u>62 Student + 3 faculty</u>
12	Facility Required	<u>Yes</u>

Thanking you,

Hi All,

Warm Greetings from UST.

Please reach UST Campus, TechnoPark Phase II, Service Road, Kulathoor, Trivandrum
on **20th October 2023 at 10:00 AM** for the requested visit, I will be your POC for the event.

Agenda for IV:

1. Security clearance near Gate and UST Campus lobby
2. Session on UST Overview in Founders Hall
3. Campus Tour

Rules to be followed inside the premises:

1. Students and Staff should carry their identity cards in order to enter inside the Premise.
2. **Students should wear uniform while in the Premise.**
3. Photography is strictly prohibited inside the campus.
4. Students can carry a book and pen if necessary. No bags are allowed.
5. Students should not carry mobile phones or any mobile storage gadgets inside the building.
6. A faculty must accompany the students when they come for the visit.
7. Punctuality is a quality highly recommended in UST. Please ensure to be on time.
8. Mask is mandatory within the campus.
9. Faculty members can bring their mobile phones but photography is strictly prohibited.

Documents to bring

1. A Bonafide certificate from the college Principal.
2. Copy of Excel Sheet which has been shared attested by the Principal

****Please contact us on *8903435089* in case of any queries. Any violation to these rules will be considered as cancellation of the event.**

****Please note that there will be no certificates issued for the students visiting.**

Regards,
Monish

Kanyakumari District.

To,

The principal,

Stella Mary's College of Engineering,

Aruthenganvilai,

Kanyakumari District.

Respected Sir,

Sub: Permission letter for Industrial visit.

On behalf of students of II year, CSE-A, I am writing this letter to you to go for getting your permission to conduct an industrial visit to Tre-hub Infotech, Kochi. A group of 40 students, 3 staff will be part of this industrial visit.

Date: 28/10/2024 (AN) - 28/10/2024 (FN).

It would be immensely grateful if you could allow us for this industrial visit.

Thanking you,

Yours faithfully,

Prerna Akshaya E

(on behalf of CSE-A,
II)

Subject: Request for permission to conduct an Industrial Visit.

Respected sir,

We, the students of Computer Science and Engineering
II year, would like to request permission to organize an
Industrial Visit to VST global Trivandrum on 22/11/2024
Friday 10.00 am to 12.00 pm. We have already initiated
the process of obtaining necessary permissions from the
Industry. We will ensure that all students adhere to safety
guidelines and maintain appropriate conduct during the
visit. We kindly request your approval for this educational
endeavor. Thank you for your time and consideration

Your sincerely

Respected sir,

Subject: Requesting permission for Industrial Visit.

On behalf of III Year (CSE(A) students, I
would like to request your kind permission for a ^{"4 days"}
Industrial visit trip from 25-9-2024 to 28-9-2024. The
purpose of this IV trip is to enhance our practical
understanding of industrial process relevant to our curriculum.
On the first day we planned to visit Karyatechnology
in Mysore which will provide valuable insights to us.

I request you to kindly grant us
permission for this IV trip.

Yours faithfully
N. Linkgam.

[On behalf of III Year CSE(A) students]

Thanking you

Dear Mam / Sir,

I am writing this mail on behalf of the Computer science and engineering department at Stella Mary's College of Engineering, Aruthenganvilai, seeking your permission to conduct an industrial visit to your company, kaynes Technology, Mysore on 26th September 2024, Thursday.

There would be 88 visitors including faculty members. Being students of CSE, this visit would help us in better understanding of various concepts on Recent technologies in Computer Science. The purpose of this visit is to provide an exposure to students about the practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. We intend to take a round of the entire industry and show the tasks handled in different departments of our students.

Kindly grant us permission for the industrial visit and make the necessary arrangements for the same. We look forward to a positive reply from your side.

Thanking You,

Yours Faithfully,
Dr.F.R.Shiny Malar,
Professor and Head,
Department of Computer Science & Engineering

Permission Letter for Industrial Visit

2 messages

Fri, Aug 25, 2023 at 2:32 PM

HODCSE SMCOE <headcse@stellamaryscoe.edu.in>
To: support@techvoltcoimbatore.com

Dear Mam / Sir,

I am writing this mail on behalf of the Computer science and engineering department at Stella Mary's College of Engineering, Aruthenganvilai, seeking your permission to conduct an industrial visit to your company, Techvolt Software Pvt. Ltd.Coimbatore on 05th September 2023, Tuesday.

There would be 54 visitors including faculty members. Being students of CSE, this visit would help us in better understanding of various concepts on Recent technologies in Computer Science. The purpose of this visit is to provide an exposure to students about the practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. We intend to take a round of the entire industry and show the tasks handled in different departments of our students.

Kindly grant us permission for the industrial visit and make the necessary arrangements for the same. We look forward to a positive reply from your side.

Thanking You,

Yours Faithfully,
Dr.F.R.Shiny

With Regards,

Techvolt Software Pvt.Ltd,Coimbatore

From

A. Achsha Steffina,
III year,
Department of Computer Science and Engineering,
Stella Mary's college of Engineering,
Kanyakumari District.

To

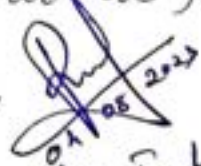

The Principal,
Stella Mary's college of Engineering,
Aruthenganvilai,
Kanyakumari District.

Respected sir,

Subject: Permission letter for industrial visit.

We already got permission for industrial visit from you to Techvat Software Pvt Ltd, coimbatore. Due to some infrastructure work, they will not be able to permit us to visit the company which was mentioned in the mail by them. Now we got permission to visit MAS solar system Pvt Ltd, coimbatore. On behalf of the students of III year CSE Department, I kindly request you to permit us for this IV.

Thanking You,

Class Incharge

Yours faithfully

A. Achsha Steffina

Dear Students of Stella Mary's College of Engineering, Nagercoil,

We are delighted to extend a warm welcome to you for the upcoming industrial visit to MAS Solar Systems Private Limited in Coimbatore. We look forward to hosting your group on this educational and insightful journey.

Here are the details of the visit:

Date: September 5th, 2023
Time: 10:00 AM

Location:
MAS Solar Systems Private Limited
No.153, SIDCO Private Industrial Estate,
Coimbatore, Tamil Nadu 641105

For your convenience, here is a [Google Maps link](https://maps.app.goo.gl/2HmqkiSAj436wgv29) to the exact location.

This visit will provide you with a valuable opportunity to gain practical insights into the workings of a leading solar systems company. You will have the chance to interact with industry professionals, observe the latest technologies, and understand the processes involved in solar system manufacturing.

We are excited to have you join us on this industrial visit, and we hope it proves to be an enriching experience for all of you.

Warm regards,

Suresh. J

INDUSTRIAL VISIT REPORT

PLACE: MAS SOLAR SYSTEMS PRIVATE LIMITED, COIMBATORE

DATE OF VISIT: 04-09-2023 to 07-09-2023

Submitted by,

Kingshiya K S,

3rd year CSE Dept.

A Report on the industrial visit to MAS SOLARSYSTEMS PVT LTD:

As a part of our academic curriculum, students of 3rd year, Computer Science and Engineering department from Stella Mary's College of Engineering visited Mas solar systems , on 5th September 2023. The objective of this visit was to provide students with an opportunity to gain practical insights into the operations and management of a real-world industry. The visit was organized by the Students of 3rd year CSE DEPT and three faculty members accompanied us.

OUR VISIT TO MAS SOLAR SYSTEMS PRIVATE LIMITED:

We started from our college at 9.00pm on 4th September, 2023 , and reached at Coimbatore around 5.00 am. Then everyone were allowed to fresh up and have the breakfast. Around 10.30 am we reached at Mas solar systems private limited. The students were allowed inside the industry . They briefly explained us about the company and the roles of workers of the company.

Connecting solar panels together is a simple and effective way of increasing the solar power capabilities. Going green is a great idea, and as the sun is our ultimate power source, it makes sense to utilize this energy to power our homes. As solar power becomes more accessible, more and more homeowners are buying photovoltaic solar panels. These photovoltaic solar panels can be very costly so buying them over time helps to spread the cost. But the problem then becomes how do we connect these extra solar panels together to increase the voltage and power output of what's already there. This company aims at combining the solar cells together to produce solar panels.

This Industrial visit is very helpful in our practical Life & it brings a positive change in our thinking & practical behaviour regarding Education & specializing our technical skills.

Around 2.00 pm we moved to a restaurant to have our lunch. After taking our lunch we moved to Ooty. We reached at a villa around 6 pm and spent our time there. The next morning we continued our journey with lots of laughter, music, and dance. We also explored the nearby places of interest such as Doddabetta hill station, Karnataka garden, Ooty lake and then started to travel back to college. The next day on 7th September we reached at college around 6.00 am.

We are thankful for everyone who provided us this opportunity.

Thank you!

CERTIFICATE OF INTERNSHIP

Mr. Babu Hussain

For his outstanding completion of the internship program at M/S Sark Solar Power Systems for the role of "Renewable Energy Trainee" under the guidance of Mr. Ramadoss PK from date 13-Jan-2024 to 07-Feb-2024.

He is found to be hardworking, sincere and diligent. We wish him all the best for future.
